

Charity Tournament – 28.5.2016

On May 28th 2016 the Kurdish student community at the TU Clausthal held a charity tournament with the slogan “Kicking for a good Cause”. The tournament was held to benefit Lisa Calan, a 28-year-old film maker, who was severely injured during a terror attack in Turkey. She lost both her legs below the knee and the tournament aimed to support her on the road to recovery.

The SPE student chapter was involved under the banner of SPE Cares, an initiative started to give back to the community. The chapter donated drinks and volunteers for the event to help raise money. In addition, SPE members participated in the tournament as well. According to the organizers the event was a success with 14 participating teams and many spectators.
