

Skype Conference with other SPE Student Chapters– 12.08.2016

On 12th of August our chapter took a part in a skype conference which was organized by our freidns from Ufa State Petroleum Technological University. The conference has begun with a small introduction from each chapter about their activities and current projects. These introductions were followed by a speech from representatives from Russian Ministry of Education. Then, the questions about the oil price crisis and industry support for SPE student chapters were arised. Finally, targets for more collaborations between chapters were set.

All participated universities:

1. Ufa State Petroleum Technological University, Russia
2. Montanunivesitat leoben, Austria
3. Zagreb university, Croatia
4. Clausthal University of Technology, Germany
5. Pandit Deendayal Petroleum University, India
6. Rajiv Gandhi Institute of Petroleum Technology , Egypt
7. Delft university of technology, Netherlands
