

## Announcing New SPE Interim Board 2020

Dear Students,

we are happy to be able to announce an Interim Board, which provides support to maintain the activities and organization of the SPE Student Chapter of TU Clausthal until the situation with COVID-19 is more clear or even over. As it is currently restricted by law to hold an election in form of a public meeting and considering all safety and health issues, it was decided to initiate an Interim Board until the election for the Board 2020 can be held. The Interim Board will monitor the change of regulations and laws on a weekly basis, enabling to hold the Board election as soon as possible.

The Interim Board is happy to provide opportunities like webinars, online meetings, the announcement of certified online courses, as well as support and advisory, trying to be as close as possible in these times! #weareSPE"

Best regards and stay safe,

Fabian, Dominique, Antonia, Max, Anastasiia, Reinaldo
